“Quality Investment under one roof”

April - 2026

Dear Investor,

Warm greetings and a very Happy New Financial Year!

Wishing you and your family a year filled with health, happiness, and financial prosperity.

As we step into the New Financial Year, the markets continue to reflect a mix of global uncertainties and domestic resilience. While short-term volatility may persist, the overall long-term outlook for the Indian economy remains strong, supported by robust fundamentals, policy stability, and growth momentum.

At current levels, markets may appear fluctuating, but such phases often create opportunities for disciplined investors. Long-term investing continues to make strong sense, especially when aligned with proper asset allocation and financial goals.

Our Advice:

- ❁ Stay invested and avoid reacting to short-term market movements
- ❁ Continue with SIPs to benefit from market volatility
- ❁ Focus on quality investments with a long-term horizon
- ❁ Review your portfolio periodically rather than frequently
- ❁ We believe that patience and discipline remain the key drivers of wealth creation.
- ❁ As always, we are here to guide you in making informed financial decisions.
- ❁ Let's make this year a step forward in your financial journey.

Warm regards,

Gagan Gupta
